Fall-to-Fall Retention

Retention is calculated based on new first-time students in the fall semester. Please note that one-year retention calculation runs one year behind so that the assessment may be completed during the June through August time frame as dictated by the LSU Eunice Planning and Evaluation Cycle.

*To generate a historical benchmark, data was averaged from AY fall 2013 to fall 2014 through fall 2021 to fall 2022 to generate a historical benchmark of 43.10% to 44.59%.

Retention calculated based on new first-time students in the fall semester.
